Introduction of Dr. Lee Miller, Dan Lloyd, Steve Song, John Haguewood, *MU*

Welcome and Update: Mike Collins, *MU Division Director*; Marc Linit, *MU Associate Dean*; Tom Payne, *MU Vice Chancellor & Dean*

Welcome and MoTOC Update: Mike Krone, *MoTOC President*

9:00 - 11:55 a.m.: Morning Sessions

Groups will rotate every 35 minutes. You will visit all 5 topics.

STOP 1 Dave Trinklein, Division of Plant Sciences, MU: *Sizing Up Annual Flower Selections – view and evaluate selections of annual flowers for 2010.*

STOP 2 Dan Lloyd, Division of Plant Sciences, MU: *Managing Moss, Dollar Spot Control, and White Grubs*

STOP 3 Xi Xiong, Division of Plant Sciences, MU: *Zoysia/Bermuda Selections and Creeping Bentgrass Selections*

STOP 4 Chris Starbuck, Division of Plant Sciences, MU: *Tree Pestilence – Cool wet conditions this spring were ideal for diseases on ornamental trees. This session will catalog those problems and give some recommendations.*

STOP 5 Lee Miller, Division of Plant Sciences, MU: *Current Issues in Turfgrass Diseases – Fairy Ring Control on Putting Greens – the latest methods in controlling fairy rings on golf putting greens, with particular emphasis on strategies and applying fungicides for preventative disease control.*

12:00 - 12:45 p.m.: Lunch(included), Exhibits and Door Prizes

1:00 - 3:30 p.m.: Afternoon Sessions

Groups will rotate every 45 minutes. You will visit all 3 topics.

STOP 6 Brad Fresenburg, Division of Plant Sciences, MU and Josh McPherson, Intercollegiate Athletics, MU: *Sports Turf Topics – New Synthetic Research, Alternative Over-seeding, Athletic Paints using Primo & Other Product Updates.*

STOP 7 Kenton Binkholder, Graduate Student, Division of Plant Sciences, MU: *Alternative Control Methods for Glyphosate Resistant Poa annua: Trial Summary of Fall and Spring Herbicide Applications*
Steve Song, Graduate Student, Division of Plant Sciences, MU: *Bermudagrass Removal from a Zoysiagrass Stand – an update on this research project.*

STOP 8 American Red Cross, Columbia, Missouri: *Don't Try Beating the Heat – Hydrate and Some Basic First Aid*

Campus Tour On-site Campus Visit for Herbaceous Plants & Ornamental Tree Issues
David Trinklein & Chris Starbuck, Division of Plant Sciences, MU

Those interested in the separate Ornamental tour on the MU campus will board vans at 12:45 and return to South Farms around 3:00 p.m.

.50 GCSAA education points available for those attending the full day.

Registration and Other Information

Field Day Date and Location

This year's Turfgrass & Ornamental Field Day will be held on July 13, 2010 at the Turf Research Center of South Farms, located at 3600 East New Haven Road, one-quarter mile east of the AC/Grindstone exit off Highway 63 in southeast Columbia. The Field Day will feature a full day of educational opportunities with morning tour groups, extended afternoon workshops and exhibitor demonstrations. For directions to South Farms, visit <http://aes.missouri.edu/sfarms>.

For More Information

If you need more information or have a disability that will require special services, please

contact Tonya Mueller at 573-356-6955 or by e-mail at info@MoTOC.org.

Please complete the appropriate registration form and return it with your payment.

Mail: Send completed form & payment to
MU Turfgrass & Ornamental Field Day,
P.O. Box 7042, Columbia, MO 65205.

Register On-Line now at:
<http://www.MoTOC.org>.

.50 GCSAA education points available for those attending the full day.

Exhibitor Information

Exhibit Site

There are 60 total outdoor sites with limited tree shade. Refreshments and lunch will be served in the center area of the exhibits. The event will be held rain or shine!

Each site includes:

- 10' x 20' grass area
- One table and two chairs per exhibit
- Two complimentary lunches per exhibit
(*additional exhibitors can purchase lunch tickets for \$15 each*)
- \$100 per exhibit—limit of three exhibits per company

Schedule

Set up times are Monday, July 12, from 3 p.m. – 7:30 p.m. or Tuesday, July 13, from 5 – 7 a.m. All exhibits need to be set up by 7 a.m. on July 13, and all vehicles must be moved away from the area. Exhibitors with equipment should plan on setting up on Monday evening and spending the night in Columbia. Security will be provided at South Farms. Exhibit placement will be determined by the staff of the research facility de-

pending on product, equipment size, etc. Please complete the description section of the registration form.

Water & Electricity

No water or electricity will be available at the exhibit sites. Water hydrants are available for temporary use only.

Doorprizes

The MoTOC Field Day staff is requesting that each exhibitor contribute an item for use as a door prize to be given away during lunch.

Demonstrations

Exhibitors are invited to offer product/equipment demonstrations in the afternoon. Please indicate and describe your demonstration on the registration form if you will be participating.

A large grass area will be available near the exhibits for equipment demonstrations.

NO PESTICIDES may be demonstrated.
